MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Bob Mills, Senate Appropriations
Committee Staff on Drug Testing Provision

1. Today, [redacted], OCA; [redacted], OGC; [redacted]
[redacted] Office of Personnel and the undersigned met with
Bob Mills and Rebecca Davies, Senate Appropriations
Subcommittee on Treasury, Postal Service and General
Government staff to discuss a drug testing provision in the
FY 87 Supplemental Appropriations bill.

2. The purpose of the meeting was to review the latest
draft language and to seek an exemption from the bill.
Mills provided the group with the latest draft language. He
said that it was the result of a month and a half "ordeal"
and that agreement had been reached on all points except for
whether certain restrictions on laboratory testing would be
guidelines or regulations. To the surprise of the group he
said that the Agency was not on the list of those agencies
which had a drug testing plan in effect before 15 September
1986. Apparently, the Justice Department (which carried the
administration's action on this issue) failed to include
the Agency.

3. [redacted] asked Mills what could be done to remedy the
situation. Mills replied that the matter was going to go to
conference that afternoon or the next day and that it was
very late to try to add any further language to that which
had been reached after so much effort. He did not see a
total exemption as a likely prospect but he did say that he
would entertain a call from Justice asking him to add the
Agency to the list of agencies which had a drug testing
program in effect before 15 September.
